IMPORTANT SAFETY REGULATION AT GALWAY DOWNS

NOTE: Violators of our Safety Regulations and Policies are subject to forfeiting their team's remaining games, getting ticketed or being towed.

- **PARKING-STANDING OR DROP OFFS ON ANY STREET IS STRICTLY FORBIDDEN.** No parking on Los Caballos, Los Corralitos or Pauba Road. This corridor is a designated horse trail and we need to keep it free for horses. In addition, the shoulders are very soft and dangerous. With the recent winter rain, cars can become stuck or even roll-over down the embankments. We are good neighbors and it's critical we keep the roads surrounding Galway Downs clear of vehicles.
- **DO NOT DROP OFF YOUR PLAYER ON ANY STREET.** It is very unsafe to drop off your player on any street with speed limits exceeding 50 MPH.
- **CROSSING THE HORSE RACE-TRACK TO GET TO FIELDS IS NOT ALLOWED AND VERY DANGEROUS TO BOTH YOU AND OUR HORSES.** Galway Downs trains very young thoroughbreds as athletes before they learn how to race at other facilities. They easily

get spooked. Even the foot trail you leave behind on the track presents dangers to the horses and jockeys.

- **DO NOT CLIMB ANY FENCES.** Please use designated entrances.
- **DO NOT LEAVE ANY CHILDREN UNNATENDED.**

GETTING TO AND LEAVING GALWAY DOWNS:

GETTING HERE:

- Galway Downs is situated on 250 acres. It's BIG! Use your GPS to get to Temecula, but please turn it off (ignore it) once you turn on Los Caballos or Pauba Road. Instead carefully follow the signs/directions for different parking lots. Your GPS is going to likely send you to the main entrance and not to the correct entrance for your field. **Know the field number your athlete is playing on before arriving and double check directly on your tournament website the night before (sometimes teams are reassigned different field numbers).**

FROM OC, LA, SD

1. 15 Freeway to Temecula, CA
2. Exit TEMECULA PARKWAY and head East
3. Turn Left at LOS CABALLOS RD
4. Follow the Signs – Your entrance may change.

LEAVING GALWAY DOWNS:

Leaving Galway Downs by Highway 79 (TURNING LEFT) can sometimes be challenging due to the traffic coming back from the desert on weekends. We strongly recommend you exit right and turn left on **PAUBA ROAD** to go back to Highway 15. This will save you 15-20 minutes in traffic and lights and it's a great scenic drive.
